**AHS Position:** AHS is recruiting for this position.

## **AHS Sponsorship:**

This position is eligible for AHS sponsorship. The successful applicant will be granted AHS sponsorship support for a CPSA Practice Readiness Assessment, if required.

**Sponsorship Eligibility Expires:** 2018-07-10

Position Located in

**Edmonton Zone**

## **Responsibilities/Duties:**

### **Neuropathologist (Permanent/Fulltime), University of Alberta Hospital, Edmonton, Alberta**

Laboratory Services, Alberta Health Services, in partnership with the Department of Laboratory Medicine and Pathology, University of Alberta, Faculty of Medicine and Dentistry, in Edmonton, Alberta is seeking a qualified Neuropathologist. The successful applicant may also be considered for an Academic appointment with the University of Alberta's Department of Laboratory Medicine and Pathology, (<http://imp.med.ualberta.ca/Pages/default.aspx>). The successful candidate will join our current group of 96 laboratory physicians and scientists in the Edmonton Zone and 24 pathologists in the Division of Anatomical Pathology at the University of Alberta Hospital (UAH).

The UAH laboratory processed approximately 900 neurosurgical and neuromuscular specimens and 120 autopsies in 2016. In addition, the Center for Neuroscience and affiliated neuroscience research groups at the University of Alberta provide significant opportunity to participate in clinical and basic research activities in many aspects of neurobiology and neuropathology. Opportunities exist for independent and/or collaborative research

that foster the goals of discovery knowledge and translational research at the University of Alberta. Teaching opportunities are available with this position, and interactive educational opportunities will be encouraged and supported in those candidates with an interest. The candidate will have the opportunity to interact with learners at all levels, including residents from anatomical and general pathology, neurology and neurosurgery, as well as medical students, and graduate students.

Applicants shall possess a strong track record of collegiality with co-workers, and evidence of ongoing continued medical education. The successful candidate must be able to work independently, and within a team environment. Time management, strong organizational skills, and excellent communication skills are required. Comprehensive training in all areas of neuropathological diagnostics is required, although sub-specialization in the diagnosis of muscle/nerve diseases would be an asset. The ability of the applicant to participate in a Neuropathology sub-specialty service including multi-disciplinary research and teaching in that sub-specialty will also be considered an asset. Responsibilities will include supervision of technical staff, overseeing the laboratory quality assurance program, on call requirements, teaching and supervision of residents, clinical consultation with physicians, surgeons and oncologists, and liaising with various multidisciplinary committees and groups that develop and monitor laboratory policies, processes and procedures.

#### **Qualifications:**

The successful candidate shall have or be eligible for certification in Neuropathology with the Royal College of Physicians and Surgeons of Canada and be eligible for licensure with the College of Physicians and Surgeons of Alberta. Physicians must also have current Canadian Medical Protective Association coverage. In accordance with the Canadian Foreign Workers requirements, all qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. The position is Sponsorship Eligible.

#### **Compensation:**

Salary is according to the Alberta Medical Association grid for physicians in Laboratory Medicine and Pathology. Starting salary is commensurate with level of fellowship and experience (range \$350,197 – 407,373). Cross appointment in one of the Departments associated with the respective divisions may be included with this appointment

#### **Recruiter Contact :**

Interested, qualified persons should forward their curriculum vitae and contact information of three referees to:

Kimberly Carleton, Coordinator - Physician & PhD Recruitment and Workforce Support

#1-00 University Terrace, 8303 – 112 St., Edmonton, AB T6G 2T4

Tel: 780-407-2835 Fax: 780-407-7794 Email: [Kimberly.Carleton@ahs.ca](mailto:Kimberly.Carleton@ahs.ca)

This position will remain open until a suitable qualified candidate has been determined.

*Alberta Health Services and the University of Alberta hire on the basis of merit. We are committed to the principle of equity in employment. We welcome diversity and encourage applications from all qualified men and women, including persons with disabilities, members of visible minorities and Aboriginal persons.*

---

AHS values the diversity of the people and communities we serve, and is committed to attracting, engaging and developing a diverse and inclusive workforce.

---

Please submit one application for each position desired as copies of applications will not be submitted for multiple postings on your behalf. Applications must include skills and ability for the position, since selection is based on information provided in the application. Only candidates selected for an interview will be contacted. Thank you for

applying with the AHS!
